

Aged Brothers in Good Health

Mr. JOHN HENLEY, 80, 59 years old, and Mr. WM. HENLEY, 55 years old.

Mr. John Henley, Sr., in a recent letter said: "I have been using Duffy's Pure Malt Whiskey for the past 9 years, and I have been enjoying good health. I am 82 years old, and I cannot say too much in favor of Duffy's Pure Malt Whiskey, which is a good medicine."

Mr. Wm. Henley writes: "I take pleasure in recommending Duffy's Pure Malt Whiskey to all old people. I have been using it for 11 years. I am 85 years old, and I find it a great blessing, and I intend to use it as long as I live."

Duffy's Pure Malt Whiskey

The experience of both these men is similar to that of thousands of men and women who have been brought back to a state of health and vigor by using Duffy's Pure Malt Whiskey as directed. Many learn its great medicinal value first from their own family doctor. Others read the testimonials of those who are so grateful to Duffy's that they wish to add fellow sufferers.

"Be sure you get Duffy's—it's reliable."

Sold in SEALED BOTTLES ONLY by most druggists, grocers and dealers at \$1.00 a large bottle. Our advice and a valuable medical booklet on request.

NEWS OF SOUTH RICHMOND

NEW PASTOR ORDAINED

Rev. Wesley Baker Will Be Installed In Porter Street Church To-Day.

Impressive ceremonies will mark the ordination exercises at Porter Street Presbyterian Church this afternoon at 4 o'clock when the Rev. Wesley Baker, D. D., is formally installed as pastor of the church. Rev. T. R. English, D. D., will preach the sermon, while Rev. D. C. Lillie, D. D., will give the charge to the congregation, and Rev. J. Calvin Stuart, D. D., will deliver the charge to the pastor.

Dr. Baker was born in Walkerton, Ontario, Canada. After graduating from the University of Toronto, he secured his first training in religious work as secretary of the Young Men's Christian Association there. He later moved to Baltimore, where he was assistant pastor of the First Presbyterian Church. Upon receiving his diploma from the Union Theological Seminary in Richmond, he took his first

charge at the Overbrook Presbyterian Church in Barton Heights.

In an interview with a reporter for The Times-Dispatch yesterday, the new pastor briefly outlined some of the plans he has for his new work on the Southside. Although not shying the women, Dr. Baker is especially interested in work among the boys, and is desirous of adding to the Boy Scout troop of the church. He will preach a special sermon every Sunday morning in connection with the regular services to the children.

"I hope to do a great work with the young people of my pastorate," said Dr. Baker, "where there is a large field. It is my intention to be of every possible assistance to teachers and scholars of the Sunday school in securing new members."

"I want to be of service to any project or organization which has to do with the welfare of the Southside, so that my stay here, which I hope to make a profitable one, will not only help my own church, but will tend towards the moral development and uplift of the whole community."

Decide Police Question To-Morrow.

Whether or not to be a final decision of the much debated question of a ship-out in the Chesterfield police force will be made to-morrow, when Judge Elyson of southern and the county board of supervisors meet at Chesterfield courthouse. FREE BITTERS

100 bottles Best Blood Tonic on earth will be given free this week, one bottle to each sufferer (conditionally, of course).

A MILLION DOLLAR DISCOVERY

Tripp's Brown Bitters is undoubtedly the greatest remedy of its kind ever discovered. We want to prove this, and must have your assistance, otherwise we can do nothing.

Next Monday, June 23, we will put on sale 100 bottles, one bottle to a customer, with our guarantee that if the first bottle fails to benefit, we will upon receipt of the empty bottle, refund the \$1 paid for same.

WHAT WE WANT

We desire to have the very worst cases in Richmond for this test. It matters not how many remedies you have tried, and we prefer those who have been treated by two or more good physicians. What we want is the most obstinate cases in the city of Stomach Trouble, Indigestion, constipation, Liver, Kidney or Bladder Trouble, and if Tripp's Brown Bitters is what we think it is, this is what it will do:

Richmond, Va., March 5, 1913.

The National Remedy Company, 603 East Main Street:

Gentlemen:—I wish to tell you how grateful I am for the benefit derived from the use of Tripp's Brown Bitters. I have suffered greatly for months with indigestion, constipation and stomach trouble. Some weeks ago I had a very severe attack. My stomach became swollen and great knots came in my stomach and side. My bowels became clogged, and I was in a frightful condition. My husband had five physicians, and four of them said I had appendicitis, and that I would have to go to the hospital and have an operation performed. One of them wanted to take me to the hospital on February 11th, my clothes having already been packed, when Mrs. Sarah Miller, a neighbor, requested your Mr. Tripp to stop and see me. He suggested I try a bottle of Tripp's Brown Bitters. I did so. Took the first dose Monday afternoon, on the 10th. Tuesday morning I was feeling so much better I did not go to the hospital. I was able to sit up. I paid the doctors and for medicine \$28, all the money I had, and the three first doses of Tripp's Brown Bitters did more for me than all the doctors did, and I have been improving every day since I took the first dose.

While under the doctor's treatment my diet was restricted to milk toast. I can now eat anything I want and it does not hurt me. My appetite is improving, and I feel better than I have for months—I have only been taking the Bitters one month.

Use this testimonial in any way you see fit. I hope it may be the means of helping many poor suffering women as it has me.

Very gratefully yours,

MRS. MATTIE GEORGE, 1231 West Broad Street.
